## EnergyMeasures

# How does it work?

1. Go to [energymeasures.eu/cork](https://energymeasures.eu/cork) and fill in your contact details, or call (021) 490 1958 and leave us a message with your name and number for a call back.
2. We will contact you to schedule an appointment and discuss how best we can help.
3. We will arrange for an energy advisor to visit you and talk about your current energy needs.
4. You will receive a report outlining recommendations and a package of small-scale measures tailored to your needs, selected from a range of options.
5. We will provide you with support periodically so that you can keep saving on energy.

## Depending on the recommendations, the small measures package can include:

This project has received funding from the European Union's Horizon 2020 Programme for Research and Innovation under Grant Agreement no 894759.
